Subject: Clarendon College Childress Center Branch Campus Maintenance Tax Adoption

===== Forwarded message =====

Good afternoon,

The Childress County Commissioner's Court adopted a \$0.05 per \$100 maintenance tax to support the Clarendon College Childress Center Branch Campus during their meeting on September 14, 2026.

I am unsure who made or seconded the motion, but the vote was 3-0 with one commissioner being absent.

I have copied Ms. Lacie Jones, Judge Jones's administrative assistant, who could probably provide greater detail.

Thank you,

Texas D. "Tex" Buckhaults
